

**EXCLUSIVE FORMAL WEAR'S
OUT-OF-TOWN
MEASUREMENT INFORMATION**

Our convenient out-of-town wedding service is an easy solution to coordinating members of your wedding party with the proper attire you have chosen, no matter where they are traveling from.

Please have your groomsmen visit a certified formal wear store, in their home town to have measurements taken and then recorded on the measurement form provided. There is usually no charge for this

If possible, have measurements at a formal wear store that has in-stock inventory for you to try on to get the proper fit. We are not responsible for measurements provided to us that are not correct.
